Honored guests, athletes and friends of karate

It is my honor and privilege to invite you to take part at the 11th international karate tournament Thermana SLO Open.

This Karate Tournament is the only international tournament in Slovenia organized directly by the Karate Federation of Slovenia. Therefore besides karate clubs national karate teams from other WKF members are also invited.

This year competition is for the first time organized in for two days in March in Laško, small town yet well known for its health and wellness center and brewery.

In the past, our tournaments presented very high quality of karate and organization. The date of the competition is ideal as preparation and checkup of the sport form for competitors who will participate at forthcoming European Senior Championships.

I hope that these reasons are good enough for you to participate at our tournament.

We are looking forward to your visit.

On behalf of Karate federation of Slovenia

Igor Zelinka, dr.Sc.

president
